

# HAVE YOUR SAY

## PROPOSED DEVELOPMENT OF THE GRANGER BAY PRECINCT AND LAND RECLAMATION AT THE V&A WATERFRONT

You are invited to comment on the draft EIA Report for the proposed development of the Granger Bay Precinct, which identifies and assesses the environmental issues and impacts associated with the proposed development and land reclamation. The draft EIA Report has been informed by various specialist assessments which are also available for review.

A 30-day commenting period started on 19 March 2026 and will end on 22 April 2026. Please follow the steps below to participate.

The draft EIA Report and associated appendices are available on the project website for download. To access information, submit your comments, or register for project updates use the following website link or scan the QR Code:

### HOW TO PARTICIPATE EFFECTIVELY?

Register as an Interested and Affected Party to receive future updates on the process and secure an opportunity to comment and give inputs. Registered Interested and Affected Parties will be notified of the projects progress.

Please be specific in your comments or queries to ensure they can be addressed and responded to. Ask for help at the details above if you need assistance accessing information or giving inputs. Hard copies or translations of reports can be made available on request.

If you need help using the website link, please contact us at the details below:
